

CCA Extended Day Fees and Payment Info 2024-2025

CCA Families-

Beginning a new year of Extended Day Programing can be a great chance for our students to build new friendships and enjoy enriching activities. My team and I are excited to welcome students on Monday, August 12th.

Please take a moment to review our detailed explanation of payment procedures for the 2024-2025 school year.

Our school calendar consists of 175 days for the 2024-2025 school year. Each month varies from another in the number of school days students attend. Due to the variance, we have broken up the extended day fees into 10 equal payments for your convenience. Fees do not include any school breaks or holidays.

Please note:

- Delayed Start Early Care is complimentary for all CCA students.
- We will have Extended-Day services on some of the Exam Early Release Days this school year. **(December 18th and 19th and May 21st and 22nd are Early Release Days and CCA will provide Extended- Day. There will be no Extended – Day services on Grandparent’s Day Oct. 8th, the last day of the semester December 20th, or the last day of school May 23rd.)**
- All participants must register and pay the \$75 non-refundable registration fee
- Full-Time Extended Day Students (students who attend in the morning and afternoon) will receive a \$10 discount on all Enrichment Programs.
